May 10 – Swap Meet, Vintage Sale, and Car Show at DCF – Thank you to everyone who help make this a huge success. We had 40 vendors and swappers and 52 show cars. Also, a shout out to the Dakota City Heritage Village for working in partnership with us.

May 30-June 1 – Mopars in the Park at DCF – A message from our Club President, Rob Caho --- “Wow, what a great weekend at Mopars in the Park!

Thank you to everyone who worked so hard to prepare and run this event.

We received high praise from Mopar, and they look forward to partnering with us again in the future. We signed 5 new members and created a lot of interest in the club, including a couple of new sponsors. I’m so proud of our club and how we come together to run successful events. Thank you!”

Thank you to Jimmy Williams for bringing his beautiful 1970 Superbird up from Alabama, and to Chris Hallaway for bringing his 1966 Belvedere II. Chris also became a supporting member at the show.
